Sport Relief

Thanks to the money raised, we are able to make a contribution to the work done by Sport Relief in supporting more than 2,000 projects all over the world. Three of these projects include Malaria, Maternal Health and Mental Health.

Sport Relief can change lives with the money raised. They are working towards creating a world where everyone is happier, healthier and safer.

We are still counting all the money that we have raised and will put the total on next week's newsletter.

Forest School Highlights

This week Year 4 have been creating artwork inspired by the artist Jenny McCabe.

They have created some amazing artwork using maps of the local area and Europe — their work is titled 'As the Crow Flies' and 'Bird's-eye View'.
