Key Dates and Information

Netball Tournament

Eight of our Year 5 pupils went to Trinity Academy yesterday to compete in the annual netball tournament against other Year 6 primary school teams. It was a really good experience for the pupils involved.

“We kicked off the tournament with a draw of 0-0. Although, we played a strong team in the second game, we lost 2-0 but bounced back with our first win of the tournament in the third game with a score of 1-0. Game four we played against a strong team and lost 4-0 but pulled it back in game five when we played the tournament favourites and thanks to a great second half performance we drew 1-1. We dominated the penultimate game but just could not score and drew 0-0. The final game and our strongest of the tournament gave us a 2-0 lead in the first half with a win of 2-1 to cap off the fantastic tournament with a victory.” - Mr McGrath

All the children represented the academy impeccably and we would like to thank those who came to support and cheer on the children.

Forest School Highlights

Nursery have been learning all about what lives in the cracks and crevasses of the outdoors. They also watched a robin and its chicks; they were mesmerised.

Year 1 have made their own African drums this week and will be playing them in their own bands.
