Dear Parents/Carers

Nut allergy request

We have a new member of staff who has an airborne nut allergy. We also have some children in school who have nut allergies.

Whilst we realise that we cannot guarantee an absolutely nut free environment, we would like to ask for your help in minimising the risk of a reaction for these children and staff. **We ask that you do not bring nuts (or foods with nuts in them) into the academy.** Your assistance in this matter is most appreciated.

Yours sincerely

S Farmer
